

11th International Conference Simutools 2024 Chengdu China July 10 2024

Advancing Simulation Technologies for Sustainable Solutions

The world is facing unprecedented challenges in the 21st century, from climate change and resource depletion to urbanization and global health crises. Simulation technologies have emerged as powerful tools to help us understand these complex systems and develop innovative solutions. The 11th International Conference Simutools 2024 will provide a global platform for researchers, practitioners, and policymakers to share their latest insights and advancements in simulation technologies and their applications in addressing these challenges.

Simulation Tools and Techniques: 11th International Conference, SIMUtools 2024, Chengdu, China, July 8–10, 2024, Proceedings (Lecture Notes of the Institute ... Telecommunications Engineering Book 295)

Language : English

File size : 110918 KB

Text-to-Speech : Enabled

Enhanced typesetting : Enabled

Print length : 683 pages

Screen Reader : Supported

Key Themes

- Simulation Modeling and Optimization for Sustainable Development
- Simulation in Healthcare: Improving Patient Care and Outcomes
- Simulation in Engineering: Designing and Optimizing Complex Systems
- Simulation in Transportation: Enhancing Mobility and Sustainability
- Simulation in Manufacturing: Towards Smart and Sustainable Production
- Simulation in Energy: Transitioning to a Clean and Secure Future
- Simulation in Water Management: Ensuring Water Security and Sustainability

Why Attend Simutools 2024?

- Learn about the latest advancements in simulation technologies
- Connect with experts and practitioners from around the world
- Discover innovative solutions to global challenges
- Get inspired by inspiring keynote speakers and industry leaders
- Contribute to the advancement of simulation research and practice

Call for Papers

We invite researchers and practitioners to submit their original contributions to Simutools 2024. The conference proceedings will be published in a reputable international journal. Submissions should be made through the conference website by [deadline].

Important Dates

* Paper submission deadline: [deadline] * Acceptance notification: [date] *
Early bird registration deadline: [date] * Conference dates: July 10-12, 2024

Venue

The 11th International Conference Simutools 2024 will be held in Chengdu, China. Chengdu is a vibrant and historic city known for its giant pandas, spicy cuisine, and rich cultural heritage. The conference venue is conveniently located in the heart of the city, providing easy access to transportation, accommodation, and dining options.

Registration

Registration for Simutools 2024 is now open. Early bird discounts are available until [date]. To register, please visit the conference website.

Contact Us

For any inquiries, please contact the Simutools 2024 Conference Secretariat at [email address].

We look forward to welcoming you to Simutools 2024 in Chengdu, China, for an unforgettable experience of collaboration, innovation, and inspiration!
