

# Green Colors: Elisabeth May and the Rise of Canadian Ecopolitics

## About the Book

Green Colors is the definitive biography of Elisabeth May, the charismatic leader of Canada's Green Party and a pioneering voice in the global

environmental movement. This engaging and meticulously researched book traces May's remarkable journey from her early years as a conservation activist to her election as the first Green MP in Canadian history. Author and journalist Mark Hume provides an intimate portrait of May, drawing on exclusive interviews and extensive archival research to reveal the personal and political forces that have shaped her life and work. Green Colors is a timely and inspiring account of one of the most influential environmental leaders of our time, and a must-read for anyone interested in the future of the planet.
