Jackie Kennedy Onassis was one of the most iconic women of the 20th century. She was a First Lady, a fashion icon, a humanitarian, and a beloved public figure. But behind the public image, there was a private woman who struggled with grief, loss, and the pressures of fame.

In *Just Jackie*, author Kitty Kelley takes us on a journey into the private life of this complex and fascinating woman. Through exclusive interviews with family, friends, and close associates, Kelley paints a vivid portrait of Jackie's early years, her marriages to JFK and Aristotle Onassis, her struggles with grief and loss, and her enduring legacy as a style icon and humanitarian.

Kelley reveals a Jackie who was both strong and vulnerable, ambitious and insecure. She was a woman who loved deeply and lost deeply. She was a woman who faced adversity with grace and dignity. And she was a woman who, despite her fame and fortune, never lost sight of her humanity.

*Just Jackie* is a must-read for anyone who wants to know the real story behind the icon. It is awarts and all look at the private life of one of the most fascinating women of our time.

## Reviews

"Kelley's biography is a tour de force. She has written awarts and all account of Jackie's life that is both intimate and revealing." — ***The New York Times***

"Just Jackie is a must-read for anyone who wants to know the real story behind the icon. Kelley'swarts and all account is both intimate and revealing." — ***The Washington Post***

"Kelley has written a fascinating and sympathetic portrait of one of the most iconic women of the 20th century." — ***The Wall Street Journal***
