New Approaches to Sikh Nationalism

In recent years, there has been a growing interest in the history of Sikh nationalism. This interest has been fueled by a number of factors, including the rise of Sikh nationalism in the diaspora, the increasing visibility of Sikh communities in the West, and the growing awareness of the role of Sikhs in the history of India.

Sikh Nationalism: New Approaches to Asian History is a timely and important contribution to this growing field of study. This book brings

together a group of leading scholars who offer new perspectives on the history of Sikh nationalism. These scholars challenge traditional narratives and provide fresh insights into the development of Sikh identity and politics.

Key Themes

Sikh Nationalism: New Approaches to Asian History explores a number of key themes, including:

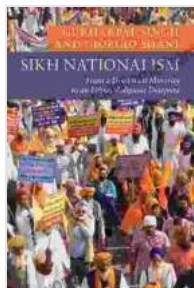

- The origins and development of Sikh nationalism
- The role of religion in Sikh nationalism
- The relationship between Sikh nationalism and other forms of nationalism in India
- The impact of Sikh nationalism on the history of India

Sikh Nationalism: New Approaches to Asian History is a groundbreaking work that offers new insights into the history of Sikh nationalism. This book challenges traditional narratives and provides a fresh perspective on the development of Sikh identity and politics. This book is a must-read for anyone interested in the history of Sikhism, the history of India, or the history of nationalism in Asia.
