## A Call to Live for the Glory of God and the Good of Others

In a world that is increasingly divided and polarized, Christians are called to be a bridge of hope and reconciliation. We are called to live out our faith in a way that makes a difference in the world, to be a light in the darkness and a source of hope for those who are lost and hurting.

Spiritual Formation for the Sake of Our Neighbor is a book that challenges Christians to live out their faith in this way. This engaging and thought-provoking book provides practical guidance for developing a spiritual life that is rooted in love for God and neighbor.

Author Shane Claiborne writes from his own experience of living out his faith in community with the poor and marginalized. He shares stories of

people who have been transformed by the love of God and who are now making a difference in the world.

Claiborne challenges Christians to go beyond traditional forms of spiritual formation and to embrace a more radical and transformative way of living. He calls us to live in solidarity with the poor and oppressed, to work for justice and peace, and to share the love of God with all people.

*Spiritual Formation for the Sake of Our Neighbor* is a must-read for anyone who wants to live out their faith in a way that makes a difference in the world. This book will challenge you to think deeply about your faith and to live more fully into the love of God and neighbor.
