About Theodore Roosevelt

Theodore Roosevelt was the 26th President of the United States, serving from 1901 to 1909. He was a charismatic and influential leader known for his progressive reforms, conservation efforts, and foreign policy initiatives.

Born in New York City in 1858, Roosevelt overcame physical challenges in his youth and developed a lifelong love of the wilderness. He attended Harvard University and worked as a rancher and New York City police commissioner before entering politics.

Roosevelt's presidency was marked by significant achievements, including the creation of the National Park Service, the construction of the Panama Canal, and the implementation of antitrust laws. He was also a vocal advocate for environmental conservation and social justice.

After leaving office, Roosevelt continued to be active in politics and foreign affairs. He died in 1919 at the age of 60.
