The Authorized Biography Of The Who John Entwistle is the definitive account of the life and career of one of the most iconic bass players in rock history.

The book is written by Paul Rees, a music journalist who has written extensively about The Who and John Entwistle. Rees had full access to Entwistle's family, friends, and colleagues, and he has drawn on a wealth of previously unpublished material to create a comprehensive and insightful portrait of the man and his music.

The book covers Entwistle's early life and his early days with The Who. Rees traces the band's rise to fame and charts Entwistle's development as

a bass player and songwriter. He also explores Entwistle's personal life, including his struggles with addiction and his untimely death in 2002.

The Authorized Biography Of The Who John Entwistle is a must-read for any fan of The Who or rock music in general. It is a fascinating and revealing account of one of the most influential and charismatic figures in rock history.
