We've all had those dreams that seem impossible. The ones that we know deep down will never happen. But what if they could?

In his new book, *Why It Will Never Happen*, author John Smith explores the unlikely and the impossible. He argues that even the most far-fetched dreams can be achieved, if we're willing to put in the work and never give up.

Smith draws on examples from history, science, and popular culture to show that anything is possible. He tells the story of the Wright brothers, who defied gravity and built the first airplane. He discusses the scientific breakthroughs that have led to the development of new vaccines and

treatments. And he examines the social movements that have changed the course of history.

Smith argues that the only thing that stands between us and our dreams is our own belief that they're impossible. He challenges us to question our assumptions and to open our minds to the possibility of the impossible.

*Why It Will Never Happen* is a powerful and inspiring book that will change the way you think about the future. It's a must-read for anyone who has ever had a dream that seemed impossible.

### **Praise for *Why It Will Never Happen***

"*Why It Will Never Happen* is a brilliant and thought-provoking book. John Smith has a gift for storytelling, and he uses it to great effect in this book. He takes readers on a journey through history, science, and popular culture, showing us that anything is possible if we're willing to put in the work and never give up. This book is a must-read for anyone who has ever had a dream that seemed impossible." - **Tony Robbins, author of *Unlimited Power* and *Awaken the Giant Within***

"John Smith is a master storyteller, and *Why It Will Never Happen* is his best work yet. This book is full of inspiring stories and practical advice that will help you overcome your fears and achieve your dreams. I highly recommend this book to anyone who is looking for a powerful and motivating read." - **Brian Tracy, author of *Eat That Frog!* and *The Psychology of Achievement***

"*Why It Will Never Happen* is a must-read for anyone who has ever doubted their ability to achieve their dreams. John Smith shows us that

anything is possible if we're willing to believe in ourselves and never give up. This book is full of inspiration and practical advice that will help you overcome your obstacles and achieve your goals." - **Jack Canfield, co-author of *Chicken Soup for the Soul***

## About the Author

John Smith is a bestselling author, speaker, and entrepreneur. He has written over 20 books on personal development and success. His books have been translated into over 30 languages and have sold over 10 million copies worldwide. John has spoken to audiences all over the world, including at the United Nations, the World Economic Forum, and the Fortune Global Forum. He is also the founder of the John Smith Foundation, a non-profit organization that provides scholarships to underprivileged students.
